FABULOUS FOOD AT SCHOOL

MAYORS MEALS

From September 2024 all children in KS2 will again be entitled to a free school lunch, courtesy of funding from the Mayor of London.

The Mayor has confirmed that Primary children in state funded schools in London will continue to get free school meals for the next four years to ensure that ensure healthy free school meals are universally available to all primary school pupils.

The free lunch is equivalent to over £500, which represents an amazing saving per child across each year. As the school's catering provider, Independent Catering provides a freshly made lunch in our school kitchens using locally grown produce from the UK.

Complementing the 3 choices of main meal and vegetables your child can supplement their lunch with a freshly prepared salad from the salad bar and a choice of 5 desserts.

Don't just take our word for it. Following a recent Parents Come Dine with me feedback from parents who dined on a school lunch included:

'Very yummy and healthy'

'Really slick operation and the food was good'

'Lovely meal and great to experience it'

'Lovely curry and berry mousse - Olivia loves her school dinners'

We know that only 1.6% of packed lunches meet the same nutritional standards as school food. Improving childhood nutrition is vital and school meals are key to achieving this.

We ensure your child receives a healthy balanced lunch; our menus are freshly made in our kitchens and served with a smile by our wonderful dedicated team of catering staff. (Our salad cart is awesome by the way!)

Our approach is simple! Great food prepared on site and fantastic value for money for parents.

Please give us a try! Your child will love it - and you'll save some valuable time not making lunch boxes!
